SHAKES & ORNAMENTAL ROUNDS

Cedarbrook will not rot, split, shrink, absorb water or be destroyed by insects. And unlike wood shakes or ornamental rounds that must be stained or painted every 2-3 years, Cedarbrook maintains its original look and finish for years and years. It never needs painting or staining.

A look that can add value to your home's exterior, Cedarbrook shake and ornamental rounds offer deeply grained-natural looking textures and come in a wide variety of colors, all backed by a **Lifetime Limited Warranty**.
